

2016 SPONSORSHIP FORM

WHO WE ARE

We are a kids company. It's really that simple. During our nature-based Pop-up camps, we play games, listen to stories, do crafts, & explore. Our themes are always changing, so every camp experience is different from the last! We say funny things, we engage in fun activities, & along the way we hope we're cultivating a lasting sense of belonging within the natural world...a feeling we hope our campers can carry with them through the rest of their lives.

Camp RunAmuck was born in 2015. Two friends, Allison & Renee, created a special camp out of love for their spirited young sons, & about twenty of their buddies to celebrate kids who harness an adventurous spirit! Allison (a teacher) & Renee (an artist) are passionate about giving kids a unique & creative nature inspired learning experience. Lucky for us, Minnesota provides dazzling outdoor landscapes where young & old can all learn & play.

Sponsorships from local individuals, businesses, & organizations help us to lower camp costs by providing the means to purchase the supplies & gear we need to run the best camps possible. This is invaluable as it in turn allows us to be accessible & affordable to more of our target audience - **the kids.**
